Delaware Valley
Community Health, Inc.

Fairmount Primary Care Center at Sharon Hill (FPCC-SH) offers primary care medical services exclusively to the clients of Merakey. FPCC-SH is a satellite site of Fairmount Primary Care Center located at 1412 Fairmount Avenue. Fairmount Primary Care Center (**FPCC**) is a community health center of Delaware Valley Community Health, Inc. (DVCH). DVCH is a community focused, nonprofit health care organization that has provided affordable and accessible primary Medical, Behavioral Health, Dental, and Social Services in Philadelphia and Montgomery counties since 1969.

Conveniently Located

FPCC-SH is easily accessible by Bus Routes: 114, 115.

Hours of Operation

Monday-Friday
8:00 a.m.-5:00 p.m.

Call us at **610.278.7381** to schedule an appointment.

If you are unable to keep your appointment, please call us as soon as you know so we can offer your appointment to someone else in need.

After Hours & Urgent Care

If you have a life threatening emergency, please dial 911 or go to the nearest Emergency Room.

If you have a medical issue after hours, please call us at **610.278.7381**. You will be connected to our answering service to reach the Medical Provider on call.

If you have a medical concern that cannot wait until your next scheduled appointment, you may walk-in or call for a same day appointment.

Paying for Your Visit

We accept Medicaid, Medicare, CHIP and most other forms of health insurance. We also accept private insurance such as Blue Cross. If you need health insurance our Health Insurance Enrollment Staff can help you apply for Medicaid, CHIP and private health insurance through the Health Insurance Marketplace. For a complete list of all accepted insurances, please visit our website at www.DVCH.org.

Access for Everyone

FPCC-SH is not a free clinic, we are a comprehensive health center providing high quality medical services to all patients, regardless of their ability to pay for them at the time of service. If you do not qualify for health insurance, you will be directed to our Patient Accounts Counselor, who will walk you through our Sliding Fee Scale. We accept all insurances and patients will be eligible for DVCH's sliding fee discount Scale (SFDS), according to their income and family size. The SFDS PROGRAM is intended to minimize financial barriers to care for patients at or below 200 percent of the Federal Poverty Guidelines (FPG). Estimate your costs on our website at www.DVCH.org/Patients & Families/Fees and Accepted Insurance.

Updating & Requesting Your Medical Record

During your visit you will be asked questions about your medical history, please answer to the best of your ability so we can better treat you.

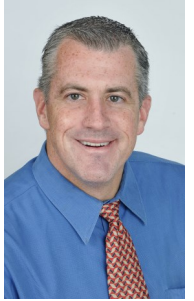

Bring in any Medication bottles, Emergency Room or Hospital Discharge Papers, or Reports from Tests you've had since your last visit. Ask Specialists to send reports to your Primary Care Provider.

Update your mailing address, phone number and email, if it changes.

Please call us at **610.278.7381**, download & print a copy from our website (www.DVCH.org/Patient & Families/Patient Forms), or come in to sign a Release of Information form if you would like a copy of your medical records. Please allow 5-7 business days to complete your request.

Quality Care You Can Count On

When making an appointment, you may request a Primary Care Provider of your choice. If you do not have a preference, we will give you an appointment with the next available Medical Provider and assign this Provider as your "Primary Care Provider." To provide consistent, familiar, high-quality clinical care we encourage patients to schedule appointments with their assigned Primary Care Provider as much as possible.
